## Announcements/Reminders

Please continue to monitor your child's symptoms. If they are feeling sick, keep them home. If they have been exposed, keep them home. If someone in your house is positive, keep them home and quarantined. I want all of my students to be safe at school, and for them to get as normal of a school experience as possible.

On the calendar, it says that there is a trip to the library, As of now, I made the executive decision to postpone the trip until further notice.

## Classroom Wishlist

- Sensory Table items, Glitter Glue, Ziploc Bags (gallon, sandwich), Lysol Spray, Clorox Wipes, Washable Red Paint, Disposable Masks, **Styrofoam pieces (for a project to make igloos!)**
