

Miss Fasano's T-K Weekly News!

Week of December 6, 2021

Email: jfasano@icsclinton.org

Check out my ICS teacher page!

Reminders

- Please make sure to send your child in with extra masks.
- Please check your child's Communication Folder for any important notifications and to see all of your child's work!
- Don't forget to sign up to be a "Guest Reader" for our class!
- Continue practicing skills with your child such as writing his/her name, writing numbers, writing letters and reading books with them!

As COVID cases rise, please make sure to check your child's symptoms often. I am doing everything in my power to make sure your child is safe in my classroom and around others.

Please remind your child the importance of masks and personal space. In my class, I always talk to my students about the importance of personal space, and how everyone has their own "bubble". I know it's so hard for the children to keep their masks on as they are restricting and we just want to play with our friends, but I just want to keep them as safe as possible before the holiday season comes around.

Thank You!

Thank you for all your support during these last few weeks! I am so lucky to have such an amazing class who helps and loves each other!
