## From me to you!

The short week kept us busy in TK! I am very proud of how independent the children have become in the classroom. As we establish our school family, we are working hard on helping each other by using our words. I am teaching that tattling is not the first option in helping a friend make right choices. I am also teaching them that everyone gets a turn/chance, and winning is not everything. Name recognition and name printing has been presented in many ways. I am seeing some great progress. Please also remember to return your child's permission slip for the pumpkin patch field trip. As a reminder, the trip is on the 25th and I will meet you at the farm at 9AM. Please remember to dress in layers and wear warm boots/shoes. In case of rain, an email will be sent on those details. We will soon have our annual Halloween parade. The Preschool will start the parade at 8:15AM. The children will do 3 laps around the school, so you can take pictures of their cute smiling faces and costumes! We will have a Halloween celebration for the last hour of class (11:15AM-12:15PM). Our amazing room moms are going to help me organize all the fun for that day. We are allowed to have 4 parent volunteers in our classroom during our celebration. 2 of those spots will be already taken by our room moms, but if you would like to help out please let me and the room moms know! Parent Teacher conferences are soon approaching on November 12th. More information about times and such will be sent out soon! Lastly, I will soon be creating either a Shutterfly account or figuring out something easier to use to give you pictures of your child! I promise you'll get them!

## Prayers

### Morning Prayer

Thank you God for this new day.  
In my school to work and pray.  
Please be with me all day long.  
In every story, game, and song.  
May all the happy things we do.  
Make you, Our Father, happy too!
