This week your child learning so many things to help him/her become independent in the classroom. For example, each child is learning how to unload his/her Communication folder from his/her backpack. Thank you for the world so sweet.

Thank you for the food we eat.

Thank you for the birds that sing.

Thank you God for everything!

Note to Parents

Thank you for helping us begin our new school year! We are off to an amazing start, full of enthusiasm and adventure! The children have entered the classroom full of joy, curiosity, and willingness to try new and exciting activities! I am impressed with their confidence and patience as we learn many ways to stay organized while creating fun, safe and comfortable learning environment. My main goal is to have the children learn each other's names as soon as possible. Some have already gotten the hang of it! Throughout the month and into October (as it is fast approaching) we will continue to build our classroom community.

Thank you so much for attending Back To School Night! It was so great to see you all and show you more about what your child will be learning this year. I hope you enjoyed yourselves!

In closing, I look forward to continue getting to know each child over the next few weeks. I will do simple assessments and lots of observing. I love reading about your "Hopes and Dreams" for your child. I value your parent input and look forward to partnering with you as we witness fabulous growth and development this year in Transitional Kindergarten!

Blessings,

Miss Fasano
