From Me to You!

This newsletter is short & sweet because the majority of the information was shared through last week's newsletter, email and or by notes in Communication Folders. Thank you for your patience as we prepare for the holidays and the number of COVID cases arising. At ICS, we want what's best for our students and families. We are here to listen and grow from your feedback. Also, thank you for all the generous donations! I appreciate your support and kindness. I wish you all a blessed and safe Thanksgiving with family and friends!

Just a gentle reminder to please check your child's Communication Folder for any important notifications.
